Vendor Phone Number: 970-210-3721
License Number: RFE17812

The above referenced vendor has provided the appropriate plan review, license fee, menu and operational details to the Mesa County Public Health for approval. This vendor meets the requirements to operate in Mesa County. Any change in menu, operation or commissary revokes this approval.

The vendor is approved to operate at the following types of events:

Special Event: A single community event or celebration that operates for a period of time of not more than 14 consecutive days and may include town celebrations, fairs, festivals and farmer's markets. Examples are Fruita Fall Fest, Pork and Hops, JUCO, etc.

On-Going Program or Sporting Event: Regularly scheduled series of events held at such places as public parks, sporting arenas, concert halls, flea markets, and sporadic promotional events such as grand opening.

Catered Event: An event serviced by a retail food establishment that provides a contracted, prearranged number of meals and/or food products that are prepared at a licensed retail food establishment for service and are consumed at the same or another prearranged offsite location and not available for individual purchase. Catered events can also include delivered or drop and go food from a licensed retail food establishment.

Samples: This vendor is allowed to provide samples of the approved menu at all types of events. Samples shall be limited to 2 oz. or less.

Events directly outside facility only: This allows the above facility to operate at a temporary event directly outside their facility. This does NOT allow the facility to participate in events at other locations.

The vendor is approved to serve the following menu: Hot dogs, nachos, cotton candy, popcorn, pickles, candy, soda, water, snow cones, and pre-packaged chips, cookies, and snacks

Commissary and location: This vendor does not have a contract with a commissary or commercial kitchen. Thus, all food should be purchased the day of the event, held cold directly from the location of purchase until served or cooked and served. Without a commissary, all perishable food needs to be sold or discarded. Food may be taken home for personal use only. All utensils and food-contact surfaces shall be washed, rinsed, and sanitized during the event on-site and may not be cleaned and sanitized in someone's home. Water obtained shall be potable, and grey water at the end of the event needs to be dumped at an appropriate location.
