

RESIDENT FEEDBACK

Residents had the opportunity to provide additional feedback through an open-ended question, **“What other feedback would you like to provide that would be helpful to the County?”**

TOP CATEGORIES & THEMES

COMMUNITY

- Need for a **Community Recreation Center**.
- Encouraging a meaningful **sense of community and connection**.
- **Concern over community growth** and wise handling of resources.

HOUSING

- **Affordable housing** and the disparity between housing costs and wages.
- **Diverse housing options** for those with subsidies, low-income, retired, physically or mentally disabled.
- Carefully considered and planned housing developments, a lot of **concern for overly “dense” neighborhoods** and lack of planning for associated infrastructure.

MENTAL HEALTH

- An overwhelming consensus that there are **insufficient services and resources**.
- A lot of comments connecting concerns over the **unhoused or “homeless” with mental health concerns**.

WORK

- Struggles for the working class, particularly **affordable housing and child care**.
- **Transportation issues related to commuting to work** (e.g. road work, congestion, multimodal options).

HEALTH

- Various **public health related concerns** (e.g. COVID-19, air quality, safety).
- Healthcare industry comments related to **affordability and options for care** and comments on providers.

SCHOOL OR EDUCATION

- Improvements to **quality**.
- Concerns regarding **school safety and bullying**.
- More **support for teachers**.

INTERNET

- Inadequate or **overly expensive service**.
- **Too few providers**.
